How to Schedule Your Field Trip

**Scheduling a field trip at the
Science & Discovery Center
is easy!**

**Go to our website at
scienceanddiscoverycenter.org
and download a group
reservation form. Complete the
form and either fax it to us at
850.769.6129, email it to
sdcsdcnwfl.org or drop it off at
the center.**

**Call 850.769.6128
with questions!**

Information

GENERAL

- ◆ A minimum of 15 students needed to qualify for group bookings.
- ◆ Confirmation of booking will be emailed.
- ◆ Payment is due on day of visit.
- ◆ Programs correlated to STEM criteria.

ADMISSION

- ◆ Organized Field Trips receive discounted General Admission Rate:
 - \$5 per student
 - Teachers free of charge
 - \$6 per adult chaperone
- ◆ Cost of Field Trip Education Programs are in addition to Field Trip Admission.
- ◆ Science & Discovery Center members attending with a school group are charged at the group rate.

CHAPERONES

- ◆ There must be a minimum of 1 chaperone per 10 students.
- ◆ Chaperones must stay with group at all times.

FIELD TRIP EDUCATION PROGRAMS

Enhance the Science & Discovery Center experience for your students by adding one of our exciting Discovery Lab programs!

Force and Motion

Experiment with gravity, inertia and the laws of motion!

Butterfly Life Cycle

Learn the butterfly life cycle in the butterfly garden!

Cabinet Chemistry

Explore how substances dissolve and experiment with chemical reactions.

Cell Lab

Compare and contrast plant and animal cells.

Energy and Magnetism

Explore forms of energy and the force of magnetism.

Dissections

Instructors guide students through the dissection and examination of creatures.

Star Lab

Transport your students into space where they will explore the stars, constellations and planetary movement.

Watershed

Learn about our local watershed and manipulate scale replica.

Animal Encounters

Get up and close with our resident reptiles.

Lab times will range from 20-30 minutes.

Cost is \$3.00 per student

*We can also customize labs, based on requests!

Information

BUS TRANSPORTATION

- ◆ Groups must provide their own transportation.
- ◆ Buses are to pull into the Airport Road parking lot; instructions for parking will be given upon arrival.
- ◆ Please do not park at Wilson Funeral Home.

ARRIVAL TIME

- ◆ Teachers must allow adequate time for travel and arrive at least 10 minutes prior to scheduled field trip.
- ◆ A late arrival may result in cancellation or schedule change to avoid conflicts with other scheduled groups.

SCIENCE AND DISCOVERY STORE

- ◆ The Science and Discovery Center Store has a variety of science related items.
- ◆ When planning a field trip, please allow time for the students to visit the store.

Let's go ON a
FIELD TRIP!!
